About This Game

While playing "Demon robot runner" you will find lots of fun and great challenge as well as a enjoyable experience playing an original indie game.

This game is an endless 2D runner. In this game, you control a robot, and you have to ascend by clicking the mouse and use gravity to descend to avoid all the different obstacles that you find.

What to expect:

- Beautiful and indie graphics.
- Good sound effects.
- Equilibrated challenge in gameplay.
- Different types of obstacles
- Randomly generated levels.

How to play:

- Left mouse click to ascend.
